| <u>Comment:</u> | the MiG 15's observed at Erfurt- 25X1 |
| Bindersleben belong to the fighter regiment at Brandis. It is believed that this new regiment was not permanently transferred, but that its crews practice take-offs and landings at Erfurt-Bindersleben which has a grass cover. The reported incoming shipments of numerous steel mats during the preceeding months indicated that the scheduled construction of an auxiliary runway was underway. | |
